Self-Guided Tours & Maps at  
[BlueRidgeMountains.com](http://BlueRidgeMountains.com)

If you live anywhere in the southeast, you're within driving distance of Blue Ridge,

Georgia's favorite mountain town, only 90 miles north of Atlanta via I-575, but a million miles away from the city. Hop in the car, turn on the radio and soon you'll be on Blue Ridge time, enjoying some peace and quiet in the beauty of the Blue Ridge foothills. Rent a luxury mountain cabin and wake up to cool,

## 2 BEAUTIFUL MOUNTAIN SCENERY

EXPERIENCE MOTHER NATURE AT HER BEST.

crisp mornings with a cup of coffee on the porch. After a day of fun and adventure, finish the day in the same spot enjoying a glorious mountain sunset with a glass of wine or sweet iced tea. You may never want to leave the porch, but don't miss out on the fun of exploring the Georgia mountains. Find out where to stay inside this guide or at [BlueRidgeMountains.com](http://BlueRidgeMountains.com).

Winter, summer, spring and fall, Georgia's Blue Ridge is simply beautiful. Winter is cool and quiet with occasional snow. Spring is best for trout fishing, wildflowers, blooming dogwoods and native azaleas. Summer brings a profusion of mountain laurel and rhododendron blossoms, along with warmer water for tubing & rafting. Blue Ridge is the perfect place to celebrate the harvest

and the glorious color of fall, or to enjoy the holidays with family and friends. The best way to experience the beauty of the mountains and countryside is on one of our scenic driving tours. Download them at [BlueRidgeMountains.com](http://BlueRidgeMountains.com).

### 3 SMALL TOWN CHARM

FALL IN LOVE WITH QUAIN T MOUNTAIN TOWNS.

You will fall in love with the authentic mountain towns of Blue Ridge and McCaysville. Blue Ridge was once con-

sidered an elite health resort because of its pure mineral waters. It was established as a railroad town, with the depot at its heart. Visitors would ride the train to town, eat dinner and take a leisurely walk to the mineral springs after dinner. Today, visitors still ride the train and take a walk along Main Street, enjoying the antique

and specialty shops, galleries, restaurants, small town atmosphere and friendly people. A river runs through the quaint town of McCaysville, twin city with Copperhill, Tennessee. Stand in both states at one time at the Blue Line, which marks the spot where Georgia ends and Tennessee begins. Here the Toccoa River becomes the Ocoee River, flowing northward into Tennessee.

### 4 UPTOWN DINING

DISCOVER AMAZING EATING CHOICES.

Local food is an essential part of the trip when you visit Georgia's Blue Ridge. You'll find a common ingredient shared by local restaurateurs—a passion for the outdoorsy, earthy, upscale, fresh, historical town—

a mixing bowl of town and country flavors that meld just right to create amazing eating choices. Add several local breweries to the mix and you've got a pretty eclectic dining experience in a small town setting. But don't forget, there are some things you just have to eat when you come to the mountains: local mountain trout, barbeque, fried apple pies, biscuits, grits and sausage gravy—just to name a few.

## 6 BLUE RIDGE SCENIC RAILWAY

DON'T MISS THE TRAIN!

Don't miss the train! Take a ride on the Blue Ridge Scenic Railway, which runs along the Toccoa River from Blue Ridge to McCaysville. Board the train at the historic depot in Blue Ridge. The view changes with the seasons: wildflowers and mountain laurel in the spring, rhododendron in the

summer, gorgeous foliage in the fall and a ride with Santa and his elves for Christmas. Special trips are planned throughout the year, including the Easter Eggspress in the spring and Pumpkin Express in the fall. Open March through December. Call 1-877-413-8724 or visit [brscenic.com](http://brscenic.com).

## 5 ARTS, THEATER & LIVE MUSIC

ENJOY BLUE RIDGE'S ARTSY VIBE.

Blue Ridge has an artsy vibe, with a vibrant arts scene and great community theater to sweeten your Blue Ridge experience. Visit the Blue Ridge Mountains Arts Center, located in the beautifully renovated Fannin County Courthouse, a historic canvas to showcase the talent of artists drawn to the area for its scenery and quiet lifestyle. The amazing

Blue Ridge Community Theater has a full calendar of drama, comedy and musical productions, including an acoustic music series, Live Music Is Better. In the summertime, Pickin' in the Park, a casual jam session for acoustic musicians, is held under the trees and pavilions along the Toccoa River at Horseshoe Bend Park. See our website events calendar for updated information about festivals, arts and entertainment. For info about special exhibits and events at The Art Center, see [blueridgearts.net](http://blueridgearts.net); book theater tickets online at [blueridgecommunitytheater.com](http://blueridgecommunitytheater.com).

## 7 WATERFALLS

HIKE TO ONE OF OUR TWO FAVORITE WATERFALLS.

### *Fall Branch Falls*

A double waterfall with mountain laurel and rhododendron growing along the trail and creek bank. The hike to the falls is about 30 minutes round trip. In Blue Ridge, follow Aska Road south for eight miles. Turn right on Stanley Creek Road (Toccoa Riverside Restaurant is on the left). The trailhead is about three miles on the right (.2 miles from where the pavement ends). N 34°47.017' W 84°18.166'

### *Appalachian Trail Hike to Long Creek Falls*

From Blue Ridge, go south on Aska Road 13.5 miles to the end. Turn right onto Newport Road, go 4.5 miles to

the end. Turn left onto Doublehead Gap Road and continue on this road about .8 miles to intersection with dirt/gravel USFS Road 58 intersecting sharply from right. Turn right onto FS 58 into the forest 5.3 miles to Three Forks. The parking area is on the right at Noon-tootla Creek, a beautiful trout stream. The trail to Long Creek Falls is on the left. N 34°39.815' W 84°11.053'

## 8 PLAYING IN THE WATER

EXPLORE NATURAL WATER PARKS.

The most popular family pastime in the summer is probably tubing the clear, chilly Toccoa River, either above the Lake Blue Ridge dam on Aska Road or below in McCaysville. But there are lots of other ways to enjoy our rivers, streams and lakes, including rafting the exciting Ocoee River, renting canoes or kayaks, pontooning or stand-up paddling on Lake Blue Ridge, or simply sitting on the bank and watching the river flow.

The best water parks are those created by nature. Morganton Point on Lake Blue Ridge is a Chattahoochee National Forest

recreation area with camping, fishing, swimming beach and picnic areas, kayak and paddleboard rentals. Another favorite spot for families is the Ocoee Whitewater Center just over the Tennessee state line, where the Olympic kayak slalom course is perfect for wading and sliding over the rocks when the river is not running (weekdays). The Whitewater Center is also a great place for hiking and biking with kids. Be sure to bring water shoes for the kids at either location.

## 10 OUTDOOR ADVENTURE

EXPERIENCE A TREETOP CANOPY ADVENTURE.

Fannin County has more than 100,000 acres located in the Chattahoochee National Forest, including

40,000 acres in the Cohutta Wilderness. Two of the greatest outdoor adventures in the world begin here. Both the Appalachian and Benton MacKaye

Trails start at the top of Springer Mountain. There are over 300 miles of hiking trails in the area, including short trails suitable for beginning hikers and families. Our favorite hike is to the Swinging Bridge, located on the Benton MacKaye Trail across the pristine Toccoa River. It is the longest suspension bridge east of the Mississippi and was built by the Forest Service and the Georgia Appalachian Trail Club in the mid-1970s. Find directions to the trail on our self-guided hiking map at [BlueRidgeMountains.com](http://BlueRidgeMountains.com).
